## Exotics, Hybrids & Curves @ NYIAS 2016

**(March 25, 2016)** The biggest east coast automotive industry event has begun. The *New York International Auto Show* is at the Jacob Javits Convention Center through April 3. The world's top automakers have arrived with lots of their latest innovations, as well as truck loads of other surprises.

Some of the exciting World and North American unveilings included the 2017 Koenigsegg Regera & One:1, 2017 Spyker C8 Preliator, 2017 Nissan GT-R, 2017 Audi R8 V10 Spyder, 2017 Mazda MX-5 RF, Shelby GT-H 50th Anniversary Edition, 2017 Maserati Levante SUV, 2017 Chevrolet Camaro ZL1, 2017 Mercedes AMG C63 Cabrio, and the 2017 Toyota Prius Prime.

Three "knock your socks off" hybrid models on display at the NYIAS 2016 are the 2017 BMW i8, Toyota C-HR concept, and the Genesis "New York" concept. All three are beautifully designed, with stunning points going to BMW and Genesis.
